

A NEW YEAR, A NEW CHANCE

Changing Lives needs your support to make sure that relief from homelessness isn't just for Christmas. Together, we can give more people the chance to start the new year with their own front door and help them to create a better life for themselves.

Donate today by scanning the QR Code below and your donation will:

- help someone to move quickly from rough sleeping to their own home with their own front door.
- provide someone with a safe place to live, recover and rebuild their lives
- help someone get the specialist support they need to overcome trauma and address the wider challenges they may face, including mental and physical ill-health, abuse and exploitation, addiction and more.

Or you can take part in the Reverse Advent Calendar.

"We are committed to giving people the best possible chance to move forward in life. We believe that everyone should have their own front door and a space to call home."

(Stephen Bell, CEO)
